INTRODUCTION

The AS Roma Academy in Abuja is organizing a 3-phase tryouts session to recruit players with outstanding capabilities and impeccable character into its elite teams for both boys and girls.

There are up to 100 slots available and successful candidates will be given full residential scholarships into the Academy in Abuja.

The first phase of the tryouts will be held in all 36 states including the FCT. Top candidates will then qualify for the next phase which is the Regional phase. The final tryouts will be held at the National Stadium in Abuja before final selections will be made.

These Elite teams will be set up to develop players that will compete nationally and internationally.

AS Roma Academy Abuja is positive it can work successfully with the relevant stakeholders at all levels to organize one of Nigeria's biggest and most comprehensive football tryouts.

AIMS

Nigeria's population is growing and more so is its youth population. Mix that with the general love for sports and football, we have the opportunity to provide a portion of the population with the opportunity to play football as well as develop all-round.

This opportunity provides much more than just football playing opportunities, the program will build the players athletic wise [technical, tactical and psycho-social development among others] and otherwise including character building, leadership development and much more.

In addition, it offers other stakeholders in the industry a dedicated and trustworthy source for well groomed players.
